

Waverly-Shell Rock 50 Plus Graduates Class Years 19?? - 1969 wsr50plus.net

2019 Reunion The Centre in Waverly September 7, 2019

The 30th W-SR 50 Plus Reunion will be held at the Centre in Waverly on September 7, 2019, beginning at 9:00am with a social period. Coffee will be provided and is covered by your registration costs. Non-registered guests are welcome for the socializing.

We are hoping that with the return to the larger facility and this being the 30th Annual Event, we will have more classmates attending. Bremer Avenue is finally done, but be aware as it is only one lane each way with a turning lane in the center! Also there is no competition for rooms by the Iowa Fire Fighters.

Class of 1968

The Class of 1968 is the host class this year. That means they are responsible for running the event, setup, teardown etc. Any 1968 Classmates that can help with these tasks on Friday and/or Saturday please let Kathy Folkerts (Kfolkerts2012@gmail.com) know.

Always room for more to help on Friday Night and/or Saturday night.

Newer Classes

Each year we need to get a roster for the Class that will be inducted the next year, i.e. 1970, for next year. If you know any 1970 WSR Classmates that live in Waverly, please give that contact information to a 50 Plus Committee Member.

Other Years??

Any other individual class reunions or other events?

Class of 1969

The W-SR Class of 1969 will be celebrating their 50th Class Reunion with two special events the weekend of September 6-7, 2019.

The first event will be for Class members and invited guests on Friday, September 6th at the Waverly Golf and Country Club. Social hour will begin at 6:00 PM with Dinner and Program to follow at 7:00.

The second event will be the "50 Plus Reunion" luncheon on Saturday, September 7th at The Centre in Waverly. The Class of '69 will be honored at the luncheon hosted by the Class of '68 and the 50+ Reunion Committee. A \$25 per person registration fee required.

Deaths of 50 Plus Classmates since the last reunion. The IN MEMORY Section on the wsr50plus.net website now contains about 590 names. We continually add to it, and would appreciate help with that list as well as to the whole website. There are 150 classmates listed under DECEASED YEAR UNKNOWN. If you can help please contact me!

Deaths since the last reunion are the only ones listed here and they are only listed here once. They remain in the In Memory section of the website indefinitely.

Eternal Roster Additions for 2018-2019

Waverly-Shell Rock Alumni:

Every once in a while Mother Nature reminds us that she's still in charge. This has been one of those years, with frequent bouts of cold and snow for the latter half of the winter wreaking havoc on normal school schedules. Despite that, I look outside and see it disappearing quickly, reminding me that much warmer days are fast approaching.

As we move into spring I think of the changes that continue to occur at W-SR. Space doesn't allow me to go into everything in detail, so I'll offer just a couple highlights. For the 11th time in the last 12 years, enrollment was up for us this year. We added 39 new students to the total, now serving just under 2300 students. At a time when most districts in the state are realizing declining enrollment, we continue to buck that trend. As a result of retirements, teachers moving on to other communities, and the need to accommodate the enrollment growth, we welcomed to the district 16 new teachers last fall, bringing the total to 187. And we also added physical space with construction of the Go-Hawk Performance Enhancement Center (GPEC), set to open in a couple of weeks. This was a structure paid for exclusively with private donations, then gifted to the school district, situated between the high school and the football/track stadium. This 9200 ft² structure will help alleviate the overcrowding that we experience in our current weight room, and provide the physical education department an opportunity to enhance their programming. Please take time to drive by and take a look. Chances are the doors will be open so you could peek inside.

Another 50+ class reunion is quickly approaching. If you're in town for that event (or live near here) and have questions, feel free to stop by the administration building. I'd be happy to visit (and brag) about what's happening at W-SR. I'm blessed to be surrounded by so many great people doing wonderful things for our students. It's a great day to be a Go-Hawk!

Respectfully, Ed Klamfoth W-SR Superintendent
